

„SIX HELPING HANDS“ – The new ONLINE OFFER for junior and senior students

### WHAT IS “SIX HELPING HANDS”?

“Six helping hands” is a six-week ONLINE course for junior and senior students plus one bonus module “Keep going”. These six weeks are guided and supervised by Tanja. The bonus module “Keep going” offers junior and senior students two more weeks of self-study.

Every other week you will have a 60 – min – ONLINE One on One video live meeting with Tanja. All exercises of these meetings are tailor-made according to your specific needs. Homework is corrected by Tanja and you will also get personal feedback by video or audio message. The last video live meeting is “Quiz time” and will check your progress. Senior students who are going for their finals can also mix video live meetings with online packages.

### HOW CAN I START?

If you are a new student at the English Academy, you can start right away with a FREE 20 – min –video live session with Tanja. You will get material for this online session by mail in advance. Please, print this material and have it ready for your video live meeting. All the details will be discussed then.
